Mr. Cook sings the Alma Mater, which he wrote, at the first school pep assembly.

Mr. Verne Cook shows his interest in the students of WHS while he attends the Homecoming dance of 1963.

WHS Alma Mater

O Washington, we sing your praises,
We'll raise your colors to the sky.
We'll guard your name, and bring you honor, glory,
Washington, our dear old High.
We see you nestled in the valley,
Yes, in the Valley of the Sun.
As we pass by our hearts will always cheer you,
Washington, our dear old High.

TO MR. VERNE COOK

This 81-82 edition of the Panorama is dedicated to Robert Verne Cook, who died December 31, 1981. Mr. Cook began teaching at Glendale High and transferred to WHS in 1955 to teach English, Short Story and Speech.

Mr. Cook was a man who went through life trying to be a special person, and he is one of the few who reached his goal. He paid his dues to society and asked for nothing in return. Health being his only enemy, Verne Cook was a man who truly survived the times. He was a gentleman of pure class.

SALUTE to

Pam,
I haven't really gotten
to know you until this year
and I'm glad I have. You're
really nice. This class (Mod. Novels)
has been a real pain, but it's
been fun. Good luck in life
and maybe I'll see you some
day in Michigan if you're lucky!
na(na) Take care!

Yours

Pam,
 There's not very much longer and then it's all over. I said its first or should. I guess I'm the one to start because you will be seeing a lot of this summer. Lets try to stay since we should know for putting friends not its first like sisters. Good that's how it gets when we know for putting together. You and Green. Thanks for putting luck and you. Kelly.

I don't take up much room & I have my own clothes. Anyway, I hope you have a great life after grad. I promised myself I'd write something much as here goes... oatmeal (that's as much as it gets) I'm glad Kelly talked you into it. We're alot of fun in there a on the way back to school. I'd like to write more but Kelly took up so much room that this page is getting cramped. Anyway, I just thank you. Should know how much you love it - about - four, five, six.

Pam,

Pam, To a gal who always made coming to class in the early morning more enjoyable. Best to you in '82 and over after!
 Vocational Printing Instructor,
 M. Twuhan

Pam,

It was nice getting to know you this year. If Drew hadn't have been around who would we have gossipped about during night school? Mrs Bender was a great teacher - if I forget everything I've learned in high school, I know I'll never forget to never pick my teeth in public! What deep things we learned!

Well, don't let Drew boss you around in printing and if he does, you have my ~~permission~~ permission to hit him. Have a great life after graduation

Good Luck,
Love Always,
Michelle
Ball

Pam,
it's been ok
this year I guess.
We are gonna party
after graduation. I'm
sure I'll see ya this summer.
So good luck in the future. Hope
you stay with Glen. Have fun.
Kelly McKibbin
class of '82

Pam,
I'm really glad I got to know you.
You are a very sweet person and
I'm very happy you were in my
class. We went through a lot
of shuffling at the presses
but all by all we it was
fun. Your Belgian friend
Therian

Pam,

It has been very
nice having you in
my printing class. I
wish I could have had
you in more of my
classes. I hope you have
a great summer and
a great life.

Love always
Wendy

Pam~

You did it! You finally made it through this place! You should be very proud of yourself. I'm proud of you!!! I sure am going to miss you - its been a rough year for me and I'm glad I had a friend like you to help me make it through (well, sort of!) I wish you many great things in the future - I know you're going to do well in all that life holds for you! You're a sincere, good-looking friend and I'm glad I got to know you! Please keep in touch - I hope to have you all over at my beach-house someday! Take life easy and don't forget about me. When I'm gone in California!

Love,
Elizabeth
